GOVERNOR'S ISLAND INFORMATION

Brad Jewell stated that as directed by the Board, Staff has negotiated a contract with W.K. Dickson for the preliminary design services associated with the Interconnection of the Governor's Island Sanitary Sewer System with the East Lincoln County Sewer District's System. They are proposing a not to exceed cost of \$4,250.00.

The design report will evaluate four (4) options:

- 1) Construction of a Master Lift Station on the Island.
- 2) Direct connection of the existing low-pressure sewer system.
- 3) Directional bore under the channel.
- 4) Suspending a force main on the existing bridge.

Staff is in agreement with the fees presented in the proposal. Staff recommends approval of the contract.

Mr. Jewell stated that he feels like this could be completed in 4 to 6 weeks.

UPON MOTION by Commissioner Saine, the Board voted unanimously to accept the proposal of \$4,250 for preliminary design work by W.K. Dickson.

Commissioner Anderson suggested that staff let W.K. Dickson know that the Board needs this and ask that they stay within the 4 to 6 week period.

ADJOURN

UPON MOTION by Commissioner Anderson, the Board voted unanimously to adjourn the East Lincoln County Water and Sewer meeting.

Amy S. Long, Clerk
