PUBLIC HEARING ON PROPOSED EAST LINCOLN COUNTY WATER AND SEWER DISTRICT 1999/2000 BUDGET

Commissioner Gamble read a statement, prior to the opening of the Public Hearing, concerning General Statute 153A-284, which requires that enterprise funds, that is water systems, sewer systems, waste management systems, must be self supporting by charges for usage fees, availability fees, and other fees. He also read a letter from the Local Government Commission concerning the county's fund balance and a letter from Jake Wicker at the Institute of Government.

There was a discussion concerning Commissioner Gamble's statements.

Commissioner Gamble stated that he would like for the Chairman to write the Local Government Commission and give an up-to-date analysis of things and invite someone to give an appraisal of the current situation, making recommendations as they see fit.

Chairman Hallman opened the Public Hearing on the East Lincoln County Water and Sewer District budget.

Harry Hawkins stated that as a citizen and customer of the water and sewer system, he would like to revisit the recommendations of the Sewer Task Force. He stated that they still support the availability fees. He stated that the Board needs to address the fact that the Sewer Ordinance states that a user charge shall reflect at least the cost of debt service, operation, and maintenance of the POTW.

Being no further comments, Chairman Hallman declared the Public Hearing on the East Lincoln County Water and Sewer District Budget, closed.
