REPORT ON SEWER DISTRICT ACTIVITIES—JACK CHANDLER, PUBLIC SERVICE DIRECTOR

Jack Chandler, Public Service Director, gave an update on the number of customers in the district. He commented that last month it was reported that there would be 491 customers receiving a monthly sewer bill, and the number is now up to 502. The 502 customers will receive a monthly sewer bill in March for February usage. Mr. Chandler stated that to-date there have been 342 additional applications, including customers who have paid their application fee in full and those making payments.

Jack Chandler stated that the Sewer District Advisory Committee indicated at their last meeting that they would like to have more input into the district activities from an advisory perspective, making recommendations to the Board.

Mr. Chandler stated that there are some upcoming annexations into the district, some existing developments will be brought before the Board next month.

Commissioner Terry Brotherton asked if the numbers of new connections were close to the amount budgeted.

Doug Chapman, County Engineer, stated that the numbers were based on 10 to 12 new connections per month, 150 for the year. He stated that the projection was at the beginning of the fiscal year there would 300 customers, and by the end of the year there would be 450, and that number has been exceeded.
