## **CANCELLATION OF SWIM ADVISORY NOTICE IN LINCOLN COUNTY**

As of October 26, 2017 at 1:00 PM, the Lincoln County Health Department has approved Lincoln County Public Works cancelling a "No Swimming Advisory" for all residents in the area of 3989 Blue Dory Lane, in Denver, North Carolina. The advisory was issued because of a waste water spill of an estimated 100 gallons. The untreated wastewater spilled into Lake Norman in the Catawba River Basin.

Lincoln County Public Works has collected water samples for testing daily from three sites at the affected area. Two consecutive samples showed test results below the required maximum levels at all three sites, and all sampling now meets the North Carolina Division of Water Quality standards.

For further information, please contact Lincoln County Public Works at (704) 736-8497.
