## **Fee Schedule**

### **Sediment & Erosion Control Plans**

Ordinance adopted 1-22-07

- Land disturbance less than one acre but more than 1,000 square feet requiring a building permit must complete an Erosion & Sediment Control Application. The fee for this application is \$50.
- Non-residential land disturbance of 20,000 square feet or greater requiring a building permit must have an Erosion Control Plan. Standard plan review fee is \$200 per acre (rounding up to the next whole acre).
- Land disturbance of one acre or more must have an approved erosion control plan. Standard plan review fee is \$200 per acre (rounding up to the next whole acre).

Express Permitting application fee is a dual charge. The normal fee of \$200.00 per acre (rounded up to the next acre) is assessed without a ceiling amount. In addition, the Express Permitting supplement is \$250.00 per acre up to eight acres, after which the Express Permitting supplemental fee is a fixed \$2,000.00. (Example: 9 acres total \$3,800.00).
