LINCOLN COUNTY SOLID WASTE

HELP OTHERS

Donations can go to a good cause. Donate

old items such as clothes, household

products, furniture, appliances, and

electronics to give others the chance to

use those products too.

REDUCE WASTE

Helping others is easy and it helps in more ways than one! Donating items keeps them out of the landfill and into the hands of someone who needs those items.

SAVE ENERGY

When a product can be reused instead of thrown into the trash it helps save energy because new products do not have to be made.

REUSE PRODUCTS

Reusing a product, or giving it to someone else to reuse reduces waste and contributes to helping those in need. Choose to reuse every time and do your part to help your community.

CLOTHE SOMEONE IN NEED

Donate clothing to assist individuals who wouldn't have anything to wear without donations. Everyone needs a little help sometimes. Give them a hand with your hand-me-downs.

START SMALL

The little things make a difference - donating to local organizations to help others, recycling products, or reusing them. Every little thing can help you, your environment, and your community.
