

ATTENTION:

Beginning October 31, 2018,
the due date for utility bills will
be the **20th** of each month.

Any bill not paid by the due date will be subject
to late fees and default fees.

As a result of this change, online payments will
then be processed through midnight for same
day credit.

In addition, when the 20th falls on a weekend or
holiday that the County offices are closed, the
due date will be the following business day.
