### Appointment of County Commissioner Anita McCall

(Lincolnton) County Manager Davin W. Madden would like to recognize County Commissioner Anita McCall on her recent National Association of Counties appointment. NACo President, Mary Jo McGuire appointed Commissioner McCall to the International Economic Development Task Force. "As President of the National Association of Counties, it is my pleasure to appoint McCall to this committee. McCall was chosen because my goal is to build a talented and committed leadership team for NACo. Our strength at NACo is in our members and McCall's active involvement. As we move forward together, now is the time for county leaders to connect, inspire and lead," said McGuire. The International Economic Development Task Force facilitates the exchange of information, ideas and resources, and guides NACo programming, concerning county-level engagement in international economic development. "As the lead economic development entity for Lincoln County and Lincolnton, we are proud to see Commissioner McCall appointed to NACo's International Economic Development Task Force. This is a perfect match given Commissioner McCall's and the county's dedication to supporting existing and new industries investing from abroad. NACo will be well-served by her professionalism and dedication," said Lincoln Economic Development Association Executive Director Cliff Brumfield. "NACo International Economic Development Task Force provides information, guidance, and support for international economic development activities for the nation's counties.
