Please print off and circulate the petition in your neighborhood. Once you have completed circulating the petition, return it to our office ([link to location of offices](#)).

NOTIFICATION OF WATER OUTAGES:

Lincoln County has adopted a notification system that if Public Works has a water outage in your area, a message will go out through the telephone system to inform you on the situation. It will also give you an estimated time of repair. Lincoln County Public Works is also utilizing the Emergency Alert System on the County's website. ([link to emergency alert on website](#))
