ATTENTION ALL LINCOLN COUNTY WATER USERS NOTICE OF WATER RESTRICTIONS

In order to continue to provide our customers with a quality water supply, Lincoln County Public Works will be replacing an essential piece of equipment at the Water Treatment Plant. This work may limit, for a short period of time, the amount of water available to our customers. To insure that our customers have an adequate supply of water, we are placing the following restrictions in place beginning January 23rd through January 27th, 2013. The following activities are requested to be limited during this time period:

- No lawn irrigation.
- No filling of pools or topping off pools.
- No car washing or pressure washing at homes.
- No water from fire hydrants for any purpose other than firefighting or other public emergency.

We want to thank you, for your assistance and cooperation. We apologize for any inconvenience this may cause. If you have any concerns or questions concerning this or any other matter, please contact our office at (704) 736-8497.
