

RESOLUTION  
OF THE  
LINCOLN COUNTY  
BOARD OF COMMISSIONERS

**WHEREAS,** in the 2001 session of the General Assembly, House Bill 452 and House Bill 453 were enacted requiring that each County establish an EMS system and ensure that emergency medical services are provided to its citizens; and

**WHEREAS,** the County or such other entity as it may select shall be system administrator to perform EMS coordinating and monitoring duties; and

**WHEREAS,** the system administrator shall, among other statutory and regulatory duties, prepare a narrative describing the overall EMS system, structure data collection mechanisms, undertake overall management of the system, coordinate public education as to the role of the EMS system, arrange medical oversight and formulate operation protocols; and

**WHEREAS,** the system administrator may form such committees, advisory boards or stakeholder groups desirable to facilitate performance of its duties; and

**WHEREAS,** the Lincoln County Emergency Medical Services currently provides the full spectrum of EMS services; and

**WHEREAS,** the Lincoln County Emergency Medical Services has the resources, experience and expertise to perform system administering duties and is agreeable to such an undertaking.

**NOW, THEREFORE, BE IT RESOLVED** by the Lincoln County Board of Commissioners that the Lincoln County Emergency Medical Services be and is hereby designated EMS system administrator for Lincoln County pursuant to House Bill 452 and House Bill 453 and regulations enacted by the State Office of Emergency Medical Services.

This the 17<sup>th</sup> day of February, 2003.
