Source: Annual County Report of Valuation and Property Tax Levies

Notes:

- (1) Included as tax exempt includes property excluded as "Senior Citizens and Disabled Persons Exclusion" G.S. 105-277.1, Property listed at "present-use value" G.S. 105-277.4, and property listed as historic property G.S. 105-278. Present use value property is agricultural, horticultural and forestland for which the owner has applied for the property to be taxed at its present use. The difference in taxes on the present use basis and the taxes that would have been payable are a lien on the property and are deferred. The taxes become due if the property ceases to qualify for present use value. The preceding three fiscal years taxes are then required to be paid.
- (2) Public service companies valuations are provided to the County by the North Carolina Department of Revenue. These amounts include both real and personal property.
- (3) Per \$100 of value.
- (4) The estimated market value is calculated by dividing the assessed value by an assessment-to-sales ratio determined by the State Department of Revenue. The ratio is based on actual property sales which took place during the fiscal year. The ratio for the most recent year is not yet available.
- (5) Years revaluation of property increased tax values, Lincoln County is reassessed every 4 years. The last reassessment was on January 1, 2004 and was the basis for fiscal 2005 taxes.
