Dear Lincoln County Resident,

On behalf of the Lincoln County Health Department, I would like to thank you for your support and cooperation with the smoke-free dining law passed in January. It has been six months since the law was passed and the transition has been smooth. Lincoln County has not received any reports of violations. This is a result of the overwhelming support and encouragement from the community.

If you have any questions, comments, or concerns with the law, please contact the Lincoln County Health Director, Maggie Dollar, at 704-735-3001 (weekdays) or me at 980-429-0055 (weekends). In you have a complaint; there are three ways to report a possible business violation of the law:

- (1) call the local health department (704-735-3001)
- (2) Visit [www.smokefree.nc.gov](http://www.smokefree.nc.gov) and complete an on-line complaint form; or
- (3) Call the N.C. CARE-LINE at 1-800-662-7030 (TTY 1-877-452-2514), which is open 7 a.m. to 11 p.m. seven days a week. CARE-LINE services are available in more than 150 languages. After hours, callers may leave a message and their call will be returned during CARE-LINE business hours.

Once again, thank you for your support.

Sincerely,

Emily Burgess  
Smoke-Free Restaurants and Bars Campaign Coordinator
